

# Do you feel like your emotions are out of control and keeping you stuck & miserable?

Most people cannot name the emotion they're experiencing in the moment or tell you why they're experiencing it!

This leads to unnecessary anxiety, stress and relationship problems both at work and at home.

## NOBLE GIBBENS

EMOTIONAL INTELLIGENCE COACH

Noble is the person you'd least expect to be talking about feelings & emotions! An uncharacteristic fight with his wife a few years ago revealed a glaring issue: he was clueless when it came to handling his emotions.

This West Point grad and former Infantry Officer in the US Army is now an EQ Practitioner and teaches Emotional Intelligence on his five-star rated podcast, *EQ for Gangster*, in his EQ Mafia Membership and through corporate coaching.

Don't let the big beard & tattoos fool you - Noble is pure positive energy & passion! He brings 23 years' experience as an entrepreneur and international keynote speaker to help corporate clients, entrepreneurs, leaders & influencers get their emotions working for them, not against them.

- International keynote speaker for audiences of thousands
- Guest on 15 podcasts
- Podcasts with hundreds of thousands of downloads
